Help Lapeer County

Explore Internet Expansion in Our Area!

Why Broadband Matters:

Broadband Internet is an essential and crucial service to those who live, learn and work in Lapeer County. Unfortunately, reliable broadband access is unavailable county-wide. We need accurate information about connectivity to help bring broadband access to everyone in Lapeer County.

We Need Your Help!

Please complete our 5-minute survey using your home's primary Internet connection method. If you don't have Internet service, visit the webpage listed above on a cellular web browser or text @moon to 1-855-613-1746.

To request a paper survey, please call 1-810-667-0366

All information is safe and secure, and only used to explore Broadband options.
